Passports have been a hot topic lately, it has been said that passports would be needed in order to fish a border lake (i.e., Amistad & Falcon). Chris clarified that passports are being required at an official border check point and not necessarily on the water by game warden officials. Per James at Falcon Lake and Tackle, it has been business as usual. As long as you don't beach your boat or get out and walk around in Mexico you will not need a passport. If interested in applying for a passport (or other documents pertaining to entry into Mexico/USA), here is a website that you can go to apply for one, [www@travel.state.gov](http://www.travel.state.gov).

## REPORTS

**METRO:** Robin McFarlane announced that METRO received proposals from both Falcon and Amistad, with great consideration by our METRO officers it was decided that our **2009 City Championship will be held at Falcon October 3<sup>rd</sup> & 4<sup>th</sup>**. With Falcon offering a more fitting proposal that covered most, if not all expenses. It was decided that Falcon would be a better fit all around. Thank you METRO officers for your hard work and keeping all clubs best interest in mind.

**TABC:** Randi Wayland announced that State Tournament will be held at **Sam Rayburn on September 26<sup>th</sup> and 27<sup>th</sup>**. More information at a later date.
