Falcon Tournament: Our November tournament is scheduled to be at Falcon. With the situation going on at Falcon President Brian Hunter wanted to discuss and ask the club their feelings about either keeping the tournament at Falcon or changing it to another lake. Some expressed to change lakes because of wanting to take their children and just wanting to stay away from Falcon altogether. Others felt that the safety measures have not changed since the beginning and wanted to keep the November tournament at Falcon. A motion was made to keep the tournament at Falcon, vote held – motion passed.

Steve Worley added that some insurance companies are changing their policies when it comes to insuring boats in Mexico. He mentioned that his insurance provider told him he would have to purchase a separate policy to be insured in Mexico.
