On a lighter note, HAPPY BIRTHDAY to STAN FOLTZ!!! Louise Jurica announced that her son Michael has safely returned home from Afghanistan!!!

NEW BUSINESS

A discussion was held on buying yet another set of new weigh-in bags. The 6 black bags the club purchased at the beginning of the year are already showing wear and tear, most are leaking. The club will be looking into replacing and purchasing new weigh-in bags.

Fish Fry: President Brian Hunter needs a coordinator to coordinate the auction and anything that may come up during the fundraiser. **Fish Fry** will be held on **August 21st at the Schertz VFW**. Brian asked that everyone come together and get auction items in as soon as possible and help out anywhere it may need. He adds that if anyone has any new ideas or activities that would help contribute to the Fish Fry to let him know, any ideas are welcome.

Club Picnic: A coordinator is being sought to organize this year's club picnic; if you are interested please contact any club officer. Place, date and time still to be determined.

McArthur Bass Club: Robin McFarlane announced that the McArthur Bass Club is having a tournament **May 8th**. She is asking for boaters; if you are interested please contact her at (210) 416-4563.

Further discussion was made regarding TABC and where the club stands on the issue. Many club members are struggling with thought of rejoining TABC, many feel TABC has done nothing to support bass fishing and/or support UCBC. The club asked to wait to make a decision until the President of TABC attends. President Brian Hunter held a vote to table this issue until next month, vote held – motion passed. President Ed Calderone is scheduled to attend our May meeting to discuss TABC and answer UCBC's concerns.

Robin McFarlane announced a representative from B.A.S.S. was unable to attend our April meeting, therefore, will be attending the June meeting.
