OLD BUSINESS

Congratulations to Shannon Hunter on winning the Digital Sony Camera!!!

Weigh-in bags have been purchased, although, the inserts are still missing. They are on back order through Dave Teplicek.

B.A.S.S. Federation was not in attendance. Some have already did research on this organization and feel it is too expensive. One major acquirement is that every UCBC member has to be a member and in good standings. Another asked to wait until a representative comes to talk about B.A.S.S. before voting on TABC. It was decided to take the vote on TABC and if B.A.S.S. still wanted to promote their organization to our club, they are more than welcome to attend and provide a presentation. The vote was taken and the motion passed to rejoin TABC for 2010.

NEW BUSINESS

Fish Fry: The Fish Fry will be held on **July 31st at the Schertz VFW Hall**. President Brian Hunter is asking everyone to get items in as soon as possible. A chairman is still needed to oversee all the events at the Fish Fry. Cooking and Serving crew have already been squared away. Kris Hunter stressed that the club needs to get together and make this Fish Fry a success this year.

President Brian Hunter asks that everyone keep Brennie Farley and her family in your thoughts and prayers. She is in the Navy and has been deployed to Afghanistan, not sure for how long, but Stan Foltz inquired about sending her a “care package”. Stan will contact James, her husband, to get her mailing address. If you’d like to contribute to the care package, please contact Stan at (210) 651-4226.

Randi Wayland will be hosting a fishing event for children with disabilities that are from the Gordon Hartman Family Foundation on **July 31st**. She has asked UCBC to donate \$500 to help her put on this wonderful event for the children. Vote held - motion passed.
