Club Picnic: The club picnic was a success again this year! Everyone had a great time, and so did the kids...none of them ever left the pool. A HUGE thank you to Jeff and Jenny Mergele for hosting the picnic at their house!

President Brian Hunter announced he purchased 4 extra weigh in bags for back up. He motioned to except this purchase, vote held - motion passed.

NEW BUSINESS

Raffle: A rod will be raffled off at next month's meeting. No details on what type of rod.

Fred Beard announced that there are 4 cabins still available for the Coletto tournament in December. If you still need a room, contact Antlers Inn (361) 645-8215.

October Club Tournament/City Tournament weigh-in: A question was raised regarding individuals not fishing City and having a separate weigh in apart from City. A few mentioned that they were not fishing City and have requested to have a separate weigh in sight for those that are not participating in City but still want to fish the club tournament. Brian said in the past, if you did not fish City that only big bass would be weighed in. Jeff Mergele expressed that it was not fair to the ones choosing not to fish City are being penalized, it is still a club tournament and felt that they should be able to weigh in their whole stringer and not just big bass. After much discussion, it was decided that for the individuals **not** fishing City, weigh in will be held at Black Brush, (normal weigh in times apply).

REPORTS:

METRO: Harvey Holmes expressed his concern about City Tournament and was unsure of the turn out this year. Brenda Mereth, vice-chairman, is still trying to find individuals to help with weigh in, parking, etc.. Harvey mentioned that no one has come through and/or has backed out on what they said they were going to do. He was saddened that City might not happen; he is hoping that people will step up and make the City Tournament a great success. Determination would be at the next METRO meeting, in which, it will be held on Wednesday Sept. 15th @ 7:30

pm. On a lighter note, Harvey expressed his gratitude to UCBC for their constant contribution and support through his tenure as Chairman of METRO.

President Brian Hunter asked a show of hands who will be participating in City but first wanted to discuss City and it's standing. Some mentioned about backing out completely from City and just have the club tournament; others felt that the club should wait until the decision at the next METRO meeting. Brian wanted to take a vote for when the question came up during the METRO meeting if the clubs still want City to go forward. Majority of the club members voted that if METRO still looked like nothing has progressed that UCBC was going to back out of City this year.
