9. **METRO Report** : Steve Connelley attended this meeting and reports the following : Current financial balance is \$21,522.69. Bids were sent to Del Rio and Zapata...for use of their lakes...the site for the METRO Tournament has not been determined, yet. METRO Meetings are set on the 3rd Wednesday of each month...so, March 20th is the next one. All are invited to attend. Steve cannot attend in March, so the club needs someone to go in his place. Meetings are held at the Universal City VFW @ 7:30pm.

More discussion developed concerning restocking of South Texas lakes as compared to East Texas lakes. Research on this subject, conducted by Stan Foltz, was forwarded via e-mail to the club. The plan of attack for the April meeting is to have a petition concerning the imbalance of restocking lakes signed by each of the clubs in METRO, and present these to the TPWD representative that will attend the April meeting. Also, it would help to have our club members attend this particular meeting, which will take place on April 17th at 7:30pm.

10. **TABC** : The State Tournament dates are September 27,28 & 29th 2013. The site has tentatively been set for Sam Rayburn Reservoir, but Toledo Bend is being considered, as well. More info at the next meeting.
The current TABC Treasurer is resigning, so a replacement is needed.
