

All,

21 Apr 20

Hope all of you and your families are safe and still coping with the adjustments required to continue to be Covid-19 free. I think about all of you as we continue through this process. Since our meetings and tournaments have been suspended until further notice, want to maintain contact and share information as appropriate. At this same time if you have anything you would like to share with the club, send it to me and I'll share in future updates. To that end I want to mention that since the last meeting Harvey Holmes has retired....yes, retired. Also on 31 March Brian and Kris Hunter had their twentieth wedding anniversary and celebrated it by fishing at Choke Canyon.
