- Proposed Bylaw change was presented by Fred. Justification: This past year because of certain situations not thought of in the past that youth that are 16 and over must compete in the open division even though they are not yet considered to be adults. After some discussions it was thought that we needed to add a new category for awards that covered youth from age 16 thru 18. Upon reaching their 19th birthday they are considered an adult and then will compete in the open category. If approved, new rules will be effective immediately for the year 2020. **(Note: Specific division eligibility is determined based on their age as of 1 January of that year and therefore could exceed stated age limit for that year). Adjusted changes are provided in Attachment 2.**

2019 Annual Awards: Annual Awards were announce, presentations will take place at the February Meeting and published in the February Meeting Minutes.

ARTICLE V – TOURNAMENTS, RULES AND AWARDS

Section V – Awards

Members compete for tournament awards. Members compete by division - Open Division, Couples Division, Team Division, Ladies Division, Junior Boys Division, Junior Girls Division, **Senior Boys Division and Senior Girls Division**. In addition, members compete for annual awards.

A. Tournament Awards

1. Open Division: All members compete in the Open Division. Subject to availability of funds, awards may be given for the first, second, and third heavy stringer, and for the heaviest bass.

a. A fish patch is awarded for a bass weighing at least four pounds

b. An award will be presented for the heaviest fish weighed in, if it is at least three pounds. Should there be a tie for heavy stringer, the following applies:

1) If three or more anglers tie for first place, all will receive first place awards.

No other places will be recognized.

2) If two anglers tie for first place, each will receive first place awards and the next highest competitor will be declared the third place finisher. No other awards will be given.

3) If two or more anglers tie for second, all those tied will receive second place awards. No third place will be given.

4) If two or more anglers tie for third place, all will receive third place awards.

2. Couples and Team Divisions: The Couples Division members are a man and wife/significant other who fish as domestic partners. The Team Division is made up of two people who fish together. Subject to availability of funds, awards may be given for the heaviest stringer for each division. A Couples Division member may also compete in the Team Division. However, the member must choose which division to receive the award, as the member can only receive one award from these two divisions. A Team Division member may not compete in the Couples Division. Individual Couples Division and Team Division members may also compete in the Open Division. Therefore, it is possible that a member could receive a Couples Division or Team Division award, and also receive an Open Division award.

3. Junior/Senior (Boy and Girl) Divisions: The Junior Divisions are made up of members who are under 16 years old. The Senior Youth Divisions will be made up of members who are age 16 until their 19th birthday at which time they are considered an adult and will compete in the open division. (Note: Specific division eligibility is determined based on their age as of 1 January of that year and therefore could exceed stated age limit for that year). Subject to availability of funds, awards may be given for the heaviest stringer for Junior's and Senior's divisions. However, if the winner of their respective division also qualifies for one of the top three positions of the Open Division, the winner will have to choose which division to receive an award. If the winner chooses to receive the award from the Open Division, then the second place winner of the Junior/Senior Divisions will be eligible for the heaviest stringer award for that division.

4. Ladies Division: The Ladies Division is made up of all club tournament women

fishing. Subject to availability of funds, awards may be given for first and second place. Women may also choose to compete for Open Division positions (top three places) but cannot compete in both divisions. If the heaviest stringer of the Women's Division chooses to compete in the Open Division then the next two top women compete for awards. Women are still eligible for Couples or Team Divisions.

- a. If two or more lady anglers tie for first place, all will receive first place awards. No other places will be recognized.
- b. If two or more anglers tie for second, all those tied will receive second place awards.
