

TABC: State Championship will be held at Falcon Lake 18-19 Sep. David Glenney reserved lodging for the TABC State Tournament.

METRO: Current information provided is that bids for the hosting of METRO City Championship have been sent to Zapata (Falcon) and Del Rio (Amistad). More information to be provided as this develops.

Old Business:

- Boysville fishing event is held on 15 May 2021 was a success and UCBC was well represented thanks to those who volunteered their time. There 72 Fish were caught and each Kid caught at least 1 Fish. We received a thank you letter from Towne & Country Optimist Club. Reference Attachment 2 .
- During the last meeting there was discussion about the increase in the Discussion was held on the increase in cost of award plates for monthly winners. Cost has risen from \$4.00 to \$10.00 per plate and monthly expense has increased to about \$100 which is excessive. David and Dottie Glenney has found a new supplier (Crown Trophy) who will make the monthly award plaques for \$5.50 verses the \$10 that Create Trophies has been charging. A motion was made to change the provider, vote held and motion was passed. Thanks David and Dottie for finding a viable solution.

New Business:

- Discussion about fundraisers: It was determined that UCBC will not hold a fundraiser at the Connelley Ranch. But in lieu of the annual fundraiser Walter has donated a Doe & Hog Hunt raffle, details below. Thanks Walter!
- Hunt will be held at the Vestal Ranch sometime in October and it includes the winner and a guest over the weekend. For additional information, contact Doug Friesenhahn at 210 844-3242. Cost per card is \$20.

UPDATE: The Doe & Hog hunt sales have concluded. The Winner will be announced in the near future – likely at the next UCBC meeting on 6 Jul 21.

Big thanks to Walter and Doug for making this possible.

Announcements: Fred Beard is available as a back seater if you need a fishing partner.

Meeting Adjourned 8:53 pm

Kris Hunter
UCBC Secretary

May 21, 2021

Dear David;

Towne & Country Optimist Club Youth Fund wishes to thank Universal City Bass Club for the generous donation of \$250 for our fishing tournament for the youth of Boysville, a local home for children who have been removed from their homes due to abuse or neglect. The event took place on May 15th on Brenda Mareth's farm and pond, which we had stocked with catfish. Please extend our thanks to the UCBC volunteers who helped the youth bring in "the big one" and enjoyed seeing the pleasure in the faces of the youth at catching their first fish. We could not put this event on without your financial and volunteer assistance.

Sincerely,

A handwritten signature in cursive script that reads 'Kathleen A Woodruff'.
